

Motor Mechanics - Established 28 Years, Owner Retiring

- Established 28+ years with strong customer and trade networks
- Profitable, solid financials and long trading history
- Fantastic premises and highly experienced staff
- Excellent reputation
- High levels of repeat custom and referrals
- Owner retiring

Exceptional opportunity available due to retirement – long established and profitable mechanical repairs business specialising in trucks, cars and more.

The business is currently turning work away despite zero marketing efforts and no digital presence. Over 28 years, the business has developed a reputation as being reliable and professional with first class workmanship. As a result, all incoming jobs are driven from repeat business and glowing referrals.

A new owner will benefit from loyal relationships with long-standing customers / business fleets, a long trading history and a proven model to generate consistent profit. A solid foundation has been built for continued success.

This mechanical repairs company is extremely well run and has all equipment, procedures and processes already in place. A new owner can step in and earn immediately with no disruption to business continuity.
