Contract & Trade Services to Mining & Government - MASSIVE Growth Potential

An excellent opportunity has become available to own a very successful and profitable business specialising in plumbing, gas & hot water services in the Pilbara region.

A rare find, this business is reasonably new, but ready to shine. It is fully set up and already operating at capacity with a full pipeline ready to go, and geared for expansion.

This business is easily scalable and ready to inject new business opportunities that have already presented themselves, especially in the mining and government sectors.

With a loyal and skilled team, they do whatever they need to do to get the work done. This business was set up to provide the BEST service, now it's time to ramp it up!

This business would be a great fit for a plumbing company in Perth wanting to expand into the Pilbara and / or the mining industry, a construction company wanting to expand into plumbing or a general business owner wanting to get their hands on a great company that is set up, profitable, easy to run, has excellent staff and has a great opportunity for growth.

Opportunities are endless for this one, get in touch with SOT Business Brokering today to learn more about this excellent opportunity!
