This established and successful business has multiple revenue streams; trade, retail and renovations. The high-end showroom has little like-for-like competition and all fittings and equipment are included in the sale price along with 2 forklifts, a light truck and stock.

With high quality products and a commitment to delivering first class customer service, it is no wonder why this business has near perfect online reviews, positive word of mouth and a high return rate and a long track record of year on year revenue growth.

With strong trade networks and future bookings already in place, a new owner would be able to step in and generate revenue immediately. No prior experience needed, and the business could be run under management if desired due to the exceptional team of experienced staff. The current owner works limited hours - a great fit for a buyer who is family focused. Business success and lifestyle balance is possible!

Perfect as a stand-alone business or strategic buy for an aligned company in the construction industry.
