Hairdresser - Longstanding + Excellent reputation

An opportunity to own a successful and longstanding hair salon has just become available. If you've been looking for that perfect opportunity to own your very own salon, this one could be it! With 20 years of trading history and a client list to match, you can also put your own stamp on this one and make it your very own.

The business is very profitable and well regarded; and has no direct competition in the shopping precinct where it is located.

A new owner will benefit from loyal relationships with long standing customers and a proven model to generate consistent profit. Dependable procedures and processes are already in place to streamline operations to hit the ground running.

The business is consistently busy despite no attempts to date to carry out any marketing activities and a limited digital presence. This is very reflective of how well the business is run and the potential on which to draw on new clients and grow even more in the future.

This business would be a great fit for a buyer who would either like to run under management, or would rather be an owner operator, is a hard worker and has a desire to build on an already established reputation. The existing owner would be willing to stay on in the business and work either for wages or rent a chair, if this was of interest to a new owner.

If you are ready to work for yourself, do the hours that you choose and minimise your risk with a business model that has a proven track record, get in touch with SOT Business Brokers today.
