

Thriving Power Solutions Business

Take the reins of a long-standing and highly respected power solutions business that specialises in the import, wholesale, and retail of petrol power products. This business has established a loyal customer base and trusted dealer network across the country, earning a reputation for high-quality products, excellent service, and consistent reliability.

With exclusive rights to a premium brand and passive income generated through operations in Queensland and New South Wales, this business presents significant growth potential for the right buyer. The ideal buyer for this business could already be in the industry seeking to expand their market share and leverage an established brand or an individual with strong technical knowledge who is eager to step into a thriving, profitable business.
