

Established Allied Health Business - Profitable, Scalable & Low Overheads

Are you looking to expand your Allied Health footprint with a highly reputable, low-overhead business that delivers both financial returns and real community impact?

This established, NDIS-registered service is a leader in adult neuro and disability therapy, offering a mobile model, consistent revenue, and an exceptional team of senior clinicians. This business is primed for immediate growth or seamless integration into an existing group, or as a stand-alone.

Currently operated by an owner on a part time strategic oversight role, the business is ideally suited to an existing Allied Health business looking to expand into OT or neuro services, an existing OT group seeking growth via acquisition or an NDIS-aligned investor or operator, looking for a successful business.

This business has built an enviable reputation over the last 9 years, with high client satisfaction, a close-knit internal team, and strong external relationships. A robust handover period is available to ensure a smooth transition.

Are you ready to take this successful and flexible business to the next level? Contact SOT today to find out more.
