## Mining Automotive Profitable With Growth Potential

An excellent opportunity has become available to own an automotive business boasting large mining companies as major clients. Focusing on light vehicle mine spec, repairs, part supply and vehicle hire, this business is diversified and has robust repeat business.

The mining industry is large and fast growing and requires support from local vendors to ensure a timely and reliable service. This business prides itself on solving problems that other businesses would likely turn away. This focus has ensured a loyal customer base with consistent repeat business while still offering an excellent potential to grow – a lot.

This business would be a great fit for a buyer who has experience as a mechanic or auto electrician, a desire to deliver high quality services, a commitment to great customer service, a positive attitude, and a desire to build on an already outstanding reputation.
